Play Your Part Emergency Arrangements

Fire/1st Aid

All GSFC coaches are to hold as a minimum the FA Emergency Aid certification. In the event of an incident the following procedures apply:

- Session will halt, unless a 2nd coach or volunteer is in attendance.
- Coach to assess injury to participant by asking relevant questions.
- Coach to assess if injury serious and if possible move injured participant to safe position.
- Coach to administer first aid where appropriate: ice pack, plaster, bandage, cleaning pads in accordance with consent given by parents.
- Emergency contact will be called should participant not be able to re-join session.
- In the event of serious injury i.e. head injury, broken bones; Coach will call Emergency services (999). Coach will ensure participant collapsing or being in a life threatening situation CPR will be administered until such time as Emergency services arrive.
- Coach will stay with participant until such time as parent/guardian or emergency services arrive.
- Coach will enter details into GSFC accident book/process.

In the event of a fire breaking out at: GSFC training ground:- Kings College School

- Register of attendance to take place prior to all sessions.
- In the unlikely event of a fire in or close to the vicinity of organised session, the Coach will raise the alarm verbally to gain attention of all those present.
- The organised session will cease, all in attendance will in an orderly manner leave the venue not collecting personal possessions, by a safe route determined by the Coach.
- All participants will assemble in a safe area of the car park located to the right of the 3G pitch where the Head/Lead Coach will ensure all are present and accounted for, including other coaches,

volunteers and parents if on site. If this exit route is unsafe the Head/Lead Coach will determine an alternative safe area and lead all present to this area. Head/Lead Coach will ensure all are present and accounted for, including other coaches/volunteer and parents if on site.

- Once verified all are safe call 999 for Emergency Services.
- Coach remains with participants until it safe to either return to the activity or participants are collected by their parents.

Code of Conduct: COVID19

All participants taking part in GSFC activities: Players/coaches/Managers/parents/supports/officials must carry out a self screen check list prior to delivering a training session or other football activity.

If you answer 'yes' to any of the questions you should not travel to or deliver the session and follow all applicable Government Guidance (e.g. call NHS 111)

Self-assessment includes:

- Do you or have you had a high temperature (above 37.8oC);
- Have you developed a new continuous cough.
- Do you have s shortness of breath or a sore throat;
- Have you a loss of or change in normal sense of taste or smell;
- Are you feeling unwell.

Players should on arrival use the hand sanitiser available on arrival and prior to departure of all sessions.

Injuries: should a participant, Manager or official suffer an injury, the assessment of the condition must be made at a social distance. If the injury is minor, advise can be given from a safe distance, or a member of the injured parties household or support bubble may administer 1st aid.

Should the injury be more serious (blood injury) the 1st aider must wear the correct PPE to administer or investigate the injury: gloves, mask, apron (which must be disposed of responsibly after use - one time use only).

On assessment if the injury is serious and untreatable by inhouse 1st aiders, Emergency services should be called 999.
