Cup Update: U10 Hawks Junior Cup Champions 2019

What a way to spend Mother's Day – I had the pleasure to watch 2 of our teams compete in Cup Finals. During the morning a trip to Stoughton Rec to watch our U10 Hawks take on Guildford City Dynamos. Standing on the side line with some very nervous GSFC parents the game started with an attack on the Saints goal. After a few minutes the game settled down and Saints got into their stride. What a pleasure to watch this group of young people to see how they have developed, some great passing football, great defending, superb counter attacking and brilliant saves pulled off by keeper Dani Joseph. A good team performance all round. Final score 4-1 to Saints, goals scored by Jack, Max & 2 from Ollie Bolton. Congratulations to Team Manager: Ben Egbe.

Special mention for Man of the Match: Dani Joseph

Special shout out for Dylan Ward – superb performance throughout the game.

U9 Cobras – Runners up – Intermediate Cup

My afternoon trip took me to the International School in Woking to watch our U9 Cobras take on Dundonald Utd. Firstly many congratulations to the team and Team Manager/coaches for reaching the final, a deserved end to lots of hard work throughout the season. A hard fought game on a very hard, dusty pitch sporting little grass which at times made control of the ball a little tricky. A very even first half even though Saints found themselves 1-0 down. The team worked very hard to even the game up but then found themselves short at the back with a very accurate striker. Saints managed to create a number of chances but the opposition defence and very good keeper kept out the scoring opportunities until the last 2 minutes of the game when Dominic Pryke found the back of the net. So final score, same as the mornings game but sadly not in our favour: 4-1 to Dundonald Utd. Well done to the whole team for their performance. Above the boys happily posing with their medals.

Special shout out to: Master Hetherington who worked tirelessly and Master Cadge a good performance.
