Can we have our ball back please...

January 2024

Dear Members,

It's great to see everyone back to training after the Christmas Festivities. The weather has turned cold, with temperatures set to drop further. Please ensure, **correct clothing** is worn for the conditions when attending training sessions. Plenty of layers. **Named clothing** will ensure that lost garments find their way back to the owners.

I know we have just started back, but half term will soon be upon us. **There will be no training @ Kings on Saturday 10th February 2024.** Training will resume on Saturday 17th February 2024.

All other training sessions will continue throughout half term.

Please remember : reversible bibs for all training and match day sessions.

Recycling boots & clothing:

We have 2 recycling projects – **can you help?**

This expert, **flashing sign** and collection box will be located outside the **Café @ Kings** every **Saturday between 10-11am**. Please recycle your **unwanted football boots**, in **good order** for re-sale. **Justin Ayling** is heading up this recycling initiative. If you are unable to drop boots off during that time frame, please call Justin to organise drop off/collection, Justin will also be on hand to sell boots to any prospective purchasers.

Our Coach **Thierry** will be visiting his home town in Cameroon this Summer and has asked for donations of football kit, training wear, training shoes that he can ship to the children of Cameroon

Pictures below from previous donations made by GSFC. **Donations can be any football kit**, or any **training kit**, all sizes, children's, and adults.

A labelled box will be at King's on Saturdays just inside the gate of the 3G for you to drop your donations off.

Many thanks in advance for your support of this project.

A mention for our **Sponsors** and a massive **THANK YOU** to all who have provided kits for our many GSFC teams this season: -
