

GUILDFORD SAINTS FC

FA Charter Standard Development Club
Surrey FA's: Grass Roots Club of the Year 2022

Can we have our ball back please...

March 2024

Dear Members,

A reminder that it is: **Silent Weekend: 2nd / 3rd March 2024**

Parents and Supporters are requested to not shout out during match play, but are encouraged to applaud good play by both teams.

Managers & Coaches will be able to instruct their teams from the sideline.

What are the benefits: Less outside influence gives players more independence and the chance to practice key skills without instruction. It allows the players to identify areas for development and explore new tactics on the pitch, which all supports their own development of critical thinking and their playing journey. Encourages players to talk to their team mates, making decisions as a team.

Thank you for adhering to the Silent Weekend Guide.

Some dates for your diaries:

Sunday 10th March – Mother's Day

There will be NO training sessions held during the following dates:

Saturday 31st March – Friday 5th April 2024– this applies to all age groups.

SUNDAY 3RD MARCH 2024

GUILDFORD SAINTS PANTHERS VS MOTSPUR PARK GIRLS LIONESSES

MANAGERS NOTES
Compared to last year, the season for Guildford Saints has seen a lot of change - moving to 11-a-side matches and seeing a lot of new faces in the squad. Despite the changes it has been great to see how the girls have bonded together as a team and play for one another. This has been evident in their cup run - long term injuries have meant being unable to field a full team on occasions but despite this the girls have worked hard to get the results that see them into their first cup final today. We are all looking forward to an exciting game between 2 good teams in what we expect to be a great advert for Girls Grassroots Football.
