Who are we: a grass roots football club run entirely by volunteers, providing training sessions together with Sunday league matches for boys and girls aged 6-18, plus an adult female team and PAN disability teams. Our main source of funding is the Club Membership fee which covers our day to day running of the club, our largest expense being Professional coaching fees and pitch hire. We actively seek sponsorship, but this is not guaranteed income, we would love to hear from any potential sponsors of team kit.

We require volunteers to join us for the forthcoming season If you can take on Match Day warm up/games or provide admin assistance to a team please contact me. Guidance and mentors available. Be InspiredGet involved.... make a difference...

Training courses will be provided to potential Team Managers and Coaches. Courses are available for Referees and Assist Referees. All volunteers are required to undertake a DBS check.

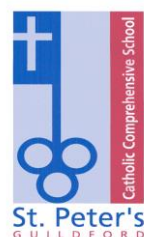

Please ensure you are familiar with our codes of conduct and streaming policy (can be found on our website).

Social media & mobile phones: Please be aware that we take a zero-tolerance approach to bullying via social media, whether messages are sent within GSFC or to players/officials outside of GSFC. All instances reported will be investigated and if deemed necessary membership of GSFC will be withdrawn.

Mobile Phones: should not be used during a training session unless in emergency situations.

Streaming Policy: players will be assessed throughout the season by our Director of Coaching, Pro Coaches and Team Managers. It may become evident that a player needs to move teams to further develop. This may mean moving up a level or moving down. Parents/players will be approached prior to any movement.

Footwear Policy for 3G pitches: Clean, correct footwear must be worn. Only players, managers and coaches allowed on the pitch at Kings college School, Guildford. Please do not take offence if you/your child is asked to leave the 3G if you do not adhere to this request. Football boots are acceptable – NO metal studs, astro boots or flat soled shoes.
